The Wallingford Wishing Well (WWW) is a non-profit organization that has been incorporated since 1990. We are a group of regular people from all walks of life who give our time and donate 100% of the proceeds to help needy children in the Wallingford, CT community. We conduct several fundraisers throughout the year but our most successful events are our Annual Game Dinner in February and the Taste of Wallingford in October. All contributions and/or donations are greatly appreciated. The Wallingford Wishing Well and the children of Wallingford thank you in advance for your generosity.
